*Die Fahrt zum Leuchtturm* Virginia  
Woolf 2019-07-15 »Die Fahrt zum  
Leuchtturm« ist ein Roman von  
Virginia Woolf. Die mehrstimmige  
Geschichte handelt von der Ramsay-  
Familie und ihren Besuchen auf der  
schottischen Isle of Skye zwischen  
1910 und 1920. Der Roman gehört zur  
modernen Literatur und wurde 2015 von  
mehreren internationalen  
Literaturkritikern zu einem der  
bedeutendsten Werke der britischen  
Welt gewählt. Unlösbar Fragen waren  
das, so schien es ihr, als sie da am  
Fenster stand, James an der Hand  
haltend. Auch er war ihr ins  
Wohnzimmer gefolgt, der junge Mann,  
über den sie lachten; er stand am

Tisch, fingerte an irgendwas herum,  
zappelig, linkisch und fühlte sich  
von allem ausgeschlossen; ohne sich  
nach ihm umzuwenden, wusste sie das.  
Alle waren sie gegangen – die Kinder;  
Minta Doyle und Paul Rayley; Augustus  
Carmichael; ihr Mann – alle waren sie  
gegangen. So wandte sie sich denn mit  
einem Seufzer um und sagte: »Wollen  
Sie mit mir kommen, Mr. Tansley, oder  
ist Ihnen das zu langweilig?« Null

**The Land's Wild Music** Mark Tredinnick  
2011-04-14 At the heart of The Land's Wild Music is an examination of the

relationship between writers and their. Interviewing four great American writers of place – Barry Lopez, Peter Matthiessen, Terry Tempest Williams, and James Galvin – author Mark Tredinnick considers how writers transmute the power of nature into words. Each author is profiled in a separate chapter written in rich, engaging prose that reads like the best journalism, and Tredinnick concludes with his own thoughts on what it takes to be "an authentic witness of place."

Hier hat's mir schon immer gefallen  
Annie Proulx 2009-03-11 In neun neuen

Geschichten erzählt Annie Proulx von den Mythen und Menschen Wyomings – lakonischer, böser und witziger denn je Wyoming, dieser am dünnsten besiedelte aller nordamerikanischen Staaten, ist Annie Proulx' Revier. Und sie schreibt über diese unwirtliche, bizarr-schöne Gegend wie niemand sonst, voller Sympathie und Ironie. Erinnerungen eines alten Mannes an seine Zeit als Rodeoreiter enthüllen familiäre Abgründe; eine große tragische Liebesgeschichte aus dem ausgehenden neunzehnten Jahrhundert zerreit einem schier das Herz; bitterböse Satiren schauen dem Teufel und seinem Sekretär bei der Arbeit zu; Legenden erzählen von der Zeit, als die Indianer noch allein in den Bergen und Prärien lebten, ganz anders als heute, da Millionäre, Grundstücksmakler, moderne Hippies

und sture Farmer ihr Glück im Land der Pioniere suchen.

*Die Geschichte des Regens* Niall Williams 2015-10-12 Ein Buch wie irisches Wetter, plötzlich breitet sich die Sonne wie Glück über dem frischen Grün aus Die neunzehnjährige Ruth leidet an Leukämie und darf ihr Bett nicht verlassen. So liegt sie in ihrem Zimmer hoch über dem Fluss Shannon, während der irische Regen unablässig auf das Dach prasselt, und liest sich durch die dreitausendneunhundertfünfundachtzig Bücher, die ihr Vater Virgil Swain ihr hinterlassen hat. Inspiriert von der Lektüre und ihrer eigenen überbordenden Fantasie lässt sie vor den Augen des Lesers ihre Ahnen aufmarschieren: Urgroßvater Absalom Swain, den Reverend, Großvater Abraham, der beim Stabhochsprung das

Fliegen lernte, und schließlich ihre Eltern Virgil und Mary, die sich vornahmen, die unfruchtbarsten vierzehn Morgen Erde, die Westirland zu bieten hat, urbar zu machen. Eine vielschichtige, tragische, oft aber auch sehr amüsante Familiengeschichte aus Irland, voller Pointen und Anekdoten und berührender Gedanken über das Leben und die Literatur. Ein Roman, in dem die Worte selbst zu einem Fluss werden, der den Leser davonträgt.

Everything We Always Knew Was True  
James Galvin 2016-10-13 "James Galvin has a voice and a world, perhaps the two most difficult things to achieve in poetry."—The Nation "Bleak and unsentimental but blessedly free of self-indulgence, these poems give the feeling of being absolutely essential."—Library Journal "Galvin

[has] the virtues of precise observation and original language . . . a rigor of mind and firmness of phrasing which make [each] poem an architectural pleasure."—Harvard Review In his first collection in seven years, James Galvin expands upon his signature spare and gnomic lyric as he engages restrained astonishment, desire, and loss in a confessional voice. Whether considering masterpieces of painting or describing the austere landscape of his native Wyoming ranchlands, Galvin turns to highly imagistic yet intimate narratives to rain down compassion within isolation. From "On the Sadness of Wedding Dresses": On starless, windless nights like this I imagine I can hear the wedding dresses Weeping in their closets, Luminescent with hopeless longing,

Like hollow angels. They know they will never be worn again. Who wants them now, After their one heroic day in the limelight? Yet they glow with desire In the darkness of closets. James Galvin passionately depicts the rural American West and the interactions between humans and nature in his best-selling memoir *The Meadow* and his novel *Fencing the Sky*. Galvin is also the author of several volumes of poetry and teaches at the Iowa Writers' Workshop. He divides his time between Iowa and Wyoming.

**Broken** Lisa Jones 2009-05-12 Writer Lisa Jones went to Wyoming for a four-day magazine assignment and came home four years later with a new life. At a dusty corral on the Wind River Indian Reservation, she met Stanford Addison, a Northern Arapaho

who seemed to transform everything around him. He gentled horses rather than breaking them by force. It was said that he could heal people of everything from cancer to bipolar disorder. He did all this from a wheelchair; he had been a quadriplegic for more than twenty years. Intrigued, Lisa sat at Stanford's kitchen table and watched. She saw neighbors from the reservation and visitors from as far away as Holland bump up the dirt road to his battered modular home, seeking guidance and healing for what had broken in their lives. She followed him into the sweat lodge -- a framework of willow limbs covered with quilts -- where he used prayer and heat to shrink tumors and soothe agitated souls. Standing on his sun-blasted porch, pit bulls padding past

her, she felt the vibration from thundering bands of Arabian horses that Stanford's young nephews brought to the ring to train. And she listened to his story. Stanford spent his teenage years busting broncs, seducing girls, and dealing drugs. At twenty, he left the house for another night of partying. By morning, a violent accident had robbed him of his physical prowess and left in its place unwelcome spiritual powers -- an exchange so shocking that Stanford spent several years trying to kill himself. But eventually he surrendered to his new life and mysterious gifts. Over the years Lisa was a frequent visitor to Stanford's place, the reservation and its people worked on her, exposing and healing the places where she, too, was broken. Broken entwines her story

with Stanford's, exploring powerful spirits, material poverty, spiritual wealth, friendship, violence, confusion, death, and above all else, "a love that comes before and after and above and below romantic love."

*Der Sport der Könige* C. E. Morgan 2018-10-29 Virtuos erzählt die Schriftstellerin C.E. Morgan von den Menschen, die das Erbe der amerikanischen Geschichte in sich tragen, und erschafft damit ein an Faulkner erinnerndes, großes modernes Epos. Henry Forge und seine Tochter Henrietta haben einen Traum: Sie wollen das beste Rennpferd aller Zeiten züchten. Die Familie Forge gehört zu den ältesten und

einflussreichsten Pferdezüchterdynastien von Kentucky, ihr Vollblut Hellmouth bringt exzellente Vorrassaussetzungen mit. Doch als Allmon Shaughnessy auf der Farm anheuert, ein ehrgeiziger junger Schwarzer, und sich Henrietta in ihn verliebt, werden Kräfte freigesetzt, die seit Jahrhunderten das Leben in den Südstaaten bestimmt haben und immer noch machtvoll sind. Angst, Vorurteile und sexuelles Verlangen, Rassismus und Wut, die Kluft zwischen Arm und Reich, Unterdrückung, ja Gewalt sind die ständigen Begleiter dieses Lebens im Schatten der Sklaverei, die untrennbar verbunden ist mit der amerikanischen Geschichte.

*In Earshot of Water* Paul Lindholdt 2011-03-16 Whether the subject is the plants that grow there, the animals

that live there, the rivers that run there, or the people he has known there, Paul Lindholdt's *In Earshot of Water* illuminates the Pacific Northwest in vivid detail. Lindholdt writes with the precision of a naturalist, the critical eye of an ecologist, the affection of an apologist, and the self-revelation and self-awareness of a personal essayist in the manner of Annie Dillard, Loren Eiseley, Derrick Jensen, John McPhee, Robert Michael Pyle, and Kathleen Dean Moore. Exploring both the literal and literary sense of place, with particular emphasis on environmental issues and politics in the far Northwest, Lindholdt weaves passages from the journals of Lewis and Clark, the log of Captain James Cook, the novelized memoir of Theodore

Winthrop, and Bureau of Reclamation records growing from the paintings that the agency commissioned to publicize its dams in the 1960s and 1970s, to tell ecological and personal histories of the region he knows and loves. In Lindholdt's beautiful prose, America's environmental legacies—those inherited from his blood relatives as well as those from the influences of mass culture—and illuminations of the hazards of neglecting nature's warning signs blur and merge and reemerge in new forms. Themes of fathers and sons layer the book, as well—the narrator as father and as son—interwoven with a call to responsible social activism with appeals to reason and emotion. Like water itself, *In Earshot of Water* cascades across boundaries and blends

genres, at once learned and literary.

**Fencing the Sky** James Galvin  
2013-10-15 A haunting novel of the American West about an accidental murder that springs from the best intentions. Stepping his horse

through the lush, beaver-worked draw looking for stray cows, Mike Arans never imagined that, moments later, he'd find himself swinging a nylon loop around Merriweather Snipes and pulling until his neck snapped. Once Snipes was dead, Mike fished a notepad and a stub of pencil from his pocket, wrote "I did this," signed his name, and stuffed the note into Snipes's breast pocket. Then Mike rode to his house, stocked up on supplies, and rode due west. *Fencing the Sky* is the story of how circumstances spiral out of control, the story of gross indifference and avarice in the face of breathtaking beauty. Ultimately, James Galvin's novel is a book about violence and how it destroys lives when the land is at stake. This long-awaited lyrical first novel is nothing less

than the story of the disappearance of the American West.

Der Junge im gestreiften Pyjama John Boyne 2010-10-18 Die Geschichte von »Der Junge im gestreiften Pyjama« ist schwer zu beschreiben. Normalerweise geben wir an dieser Stelle ein paar Hinweise auf den Inhalt, aber bei diesem Buch - so glauben wir - ist es besser, wenn man vorher nicht weiß, worum es geht. Wer zu lesen beginnt, begibt sich auf eine Reise mit einem neunjährigen Jungen namens Bruno. (Und doch ist es kein Buch für Neunjährige.) Früher oder später kommt er mit Bruno an einen Zaun. Zäune wie dieser existieren auf der ganzen Welt.

**America's Most Alarming Writer** Bill Broyles 2019-11-15 The author of more than twenty books and a revered contributor to numerous national publications, Charles Bowden (1945–2014) used his keen storyteller's eye to reveal both the dark underbelly and the glorious determination of humanity, particularly in the borderlands between the United States and Mexico. In *America's Most Alarming Writer*, key figures in his life—including his editors, collaborators, and other writers—deliver a literary wake for the man who inspired them throughout

his forty-year career. Part revelation, part critical assessment, the fifty essays in this collection span the decades from Bowden's rise as an investigative journalist through his years as a singular voice of unflinching honesty about natural history, climate change, globalization, drugs, and violence. As the Chicago Tribune noted, "Bowden wrote with the intensity of Joan Didion, the voracious hunger of Henry Miller, the feral intelligence and irony of Hunter Thompson, and the wit and outrage of Edward Abbey." An evocative complement to *The Charles Bowden Reader*, the essays and photographs in this homage brilliantly capture the spirit of a great writer with a quintessentially American vision. Bowden is the best writer you've (n)ever read.

2018-12-17 Die Dänen lieben Hygge, kuscheln sich gerne gemütlich ein und trinken literweise heiße Schokolade. Da das ziemlich auf die Hüften geht, haben die Schweden das etwas moderatere Lagom erfunden. Ein bisschen Schoki, aber nicht zu viel davon. So richtig viel Spaß macht Mäßigung dann aber doch nicht, weswegen die Finnen nun mit Kalsarikänni durchstarten, was so viel bedeutet wie: sich allein zu Hause in Unterwäsche betrinken. Bei diesem sensationellen Wohlfühlrend aus dem coolen Norden geht es darum, sich all die hoffnungslos verplanten Abende zurückzuerobern, die man sonst mit Besuchen im Fitnessstudio, miesen Dates, langweiligen Familienfeiern oder gar im Büro gefüllt hat. Canceln Sie das alles. Gehen Sie heim, ziehen

Sie sich den unbequemen Anzug aus und kippen Sie in Ruhe einen: Entspannter werden Sie nie sein. Der finnische Kalsarikänni-Experte Miska Rantanen zeigt Ihnen, wie es geht!

*The Wide Open* Fredericka Hunter  
2008-01-01 It is hard to love the high, cold plains of the American West. They are vast and harsh and demanding. And perhaps because they

are so hard to love, prairies challenge the imaginative mind and the adventurous heart. The Wide Open reveals how some of the most interesting and accomplished writers and photographers in the country have met that challenge and given the genius of the prairie a vision and a voice. Their stories are as diverse as the tellers, ranging from fiction by Barry Lopez, Richard Ford, and William Kittredge, to the childhood histories of Mary Clearman Blew and Judy Blunt and the nonfiction narratives of Jim Harrison, Gretel Ehrlich, and Rick Bass. There are works by Native American prairie dwellers such as M. L. Smoker and James Welch and the photographic interpretations of Lee Friedlander, Lois Conner, and Geoffrey James. Personal or poetic, journalistic or

scientific, these works eloquently attest to the prairie's abundance in all its human and natural variety, offering pictures as wide open and rich as the land they depict.
